

REMARKS

Claims 1-26 are pending in the application while claims 14-22 have been withdrawn.

As reflected in the above edits, certain claims have been amended. Examination of the new claim language is requested.

The undersigned submits that the pending claims are at least patentable over the cited references because none of the references regard a treatment chamber having passages sized and positioned to spin an elongated medical about one of its longitudinal axes as recited in claim 1.

The Office is hereby authorized to charge any fees required under 37 C.F.R. § 1.16 or § 1.17 or credit any overpayments to Kenyon & Kenyon Deposit Account No. 11-0600.

The Examiner is invited to contact the undersigned to discuss any matter regarding this application.

Respectfully submitted,

Fred T. Grasso
